

**Disclaimer**

FrikktionTek® is the trade name and trademark of a revolutionary ceramic-metal compound manufactured by Xado America, LLP., consisting of a magnesium silicate nano-particle technology that uses the science of tribology to bond on a molecular level to moving metal parts. FrikktionTek® is wholly owned by US Envirotech, Inc. US Envirotech, Inc. warrants its FrikktionTek® products sold at all retail outlets. However, the retailer does not separately warrant FrikktionTek® products, and assumes no liability for the FrikktionTek® products. The retailer's employees are trained and instructed in the proper method of application and installation of FrikktionTek™ products. FrikktionTek® products are non-toxic and cannot cause harm to any engine parts or components, even if improperly installed. Any and all alleged liability for the improper application, installation and useage of all FrikktionTek® products purchased at any retail location, are not warranted by or the responsibility of Xado America, LLP. or FrikktionTek®

**FrikktionTek® Product Warranty**

US EnviroTech, Inc. warrants its XADO Technology, Ltd. manufactured FrikktionTek® products (Gasoline Engine Treatment, Diesel Engine Treatment, Automatic Transmission Treatment, Manual Transmission/Differential Treatment and Power Steering Treatment) purchased from and installed at the retailer, to be fit for use according to the form filled out by the purchaser and to be free from defects in material and workmanship. US Envirotech, Inc offers a 100% money back guarantee, when FrikktionTek™ products are properly installed and used according to the applicable FrikktionTek® product direction, that FrikktionTek® products will reduce micro-abrasions and surface irregularities and build the surface up to 5 thousandths of a micron on all applicable internal engine components, and up to 60 thousandths of a micron on all applicable gear-box components. This warranty begins at 1,240 miles of engine use subsequent to proper installation and continues for one year of engine use or up to 50,000 miles of engine use, whichever occurs first. This warranty is not transferable and exists only for the vehicle owner at the time of the installation of FrikktionTek® products. FrikktionTek® products are not lubricants; they are not a substitute for normal lubrication; and normal oil use and recommended oil changes should still be utilized; as such, US EnviroTech, Inc. does not warrant any engine or related parts or components for any type of lubrication-related failure. In addition, the use of FrikktionTek® products can substantially increase engine performance and power. US Envirotech, Inc strongly recommends that its products only be used in vehicles that have undergone regular routine maintenance. US Envirotech, Inc. shall not be liable for the failure of any mechanical parts as a result of the increase in vehicle performance and power as a result of the use of FrikktionTek® products. US EnviroTech, Inc. shall not be liable for any special, incidental, or consequential damages, including, but not limited to damage or loss of other property or equipment, loss of profits or revenue, cost of capital, business interruption, lodging, towing, or cost of replacement equipment. The liability of Xado America, LLP arising out of the sale, delivery, installation, technical directions or recommendations of any FrikktionTek® product whether in contract, tort, warranty or otherwise shall not exceed the value of the equipment in which the product(s) were used. To claim a refund, you must present your original sales receipt along with receipts of scheduled maintenance and any repairs to the retail location where FrikktionTek® was purchased. The remedies to the purchaser herein are exclusive, and if not satisfactory, Purchaser agrees to mandatory binding Arbitration, under the laws of New Mexico.
